GOVT.COLLEGE FOR WOMEN(a),GUNTUR

NSS

Name of the Activity: Trash Cleaning at Vegetable Market

Venue: Vegetable Market, Guntur

Date: 15-09-2021

Total Number of NSS Student Volunteers: 20

Objectives:

- Enhance the overall cleanliness of the vegetable market to provide a healthier environment for both vendors and customers.
- Increase awareness about the importance of environmental cleanliness among market vendors and customers.
- Encourage active participation from both NSS student volunteers and local community members in maintaining cleanliness.

Description:

The trash cleaning event at the Vegetable Market in Guntur was organized by Dr. D. Dhatri Kumari, Programme Officer of NSS Unit II, Government College for Women (A). This initiative focused on improving the market's cleanliness and promoting civic responsibility. A team of 20 NSS student volunteers was mobilized to clean the area, effectively removing trash and debris which improved the shopping environment significantly.

Outcomes:

- The market area became noticeably cleaner, providing a more pleasant and hygienic shopping experience.
- There was a marked increase in awareness among market vendors and customers regarding the importance of maintaining clean surroundings.
- The cleanup activity fostered a sense of community involvement, with NSS student volunteers working alongside local residents, leading to enhanced community bonds and a collective effort in maintaining public spaces.

GOVT. COLLEGE FOR WOMEN(A), GUNTUR

Activity : SWACHHTA CLEAN & GREEN PROGRAMME

Venue: GCW(A),Guntur College and Hostel campus

Date: 02/10/2021

No of Students Participated: 100 and 3 NSS POS and 4 faculty

Objective: To make the college campus and hostel premises clean and free of plastic and other wastes.

On the occasion of Birth anniversary of Mahatma Gandhi , NSS units of College conducted Swachhta drive on 2nd October 2021. The members of the unit were guided by the NSS Program officers and other faculty coordinators. With this motive all the volunteers of NSS units spread across our college campus and hostel areas to clean up all the plastic covers, plastic bottles, dry leaves, waste papers etc.,. They also made sure that no wrappers were lying in and around the campus. College attached Hostel premises were also cleaned .

Out comes : Students and Nss volunteers actively participated and cleaned the college campus and hostel premises. The campus got rid of the garbage and became neat and clean. Principal and staff appreciated the volunteers.

2021-22

NSS UNIT II

Name of the Activity: Awareness on Digital Payment through Mobile Apps

Venue: Naaz Center, Guntur

Date: 07-10-2021

Total Number of NSS Student Volunteers: 8

Objectives:

- To educate the community about using specific mobile payment apps like PhonePe and Google Pay.
- To demonstrate the safety features and convenience of making digital payments.
- To encourage the daily use of these apps for various transactions.

Description:

The awareness event on Digital Payment through Mobile Apps was organized by Dr. D. Dhatri Kumari, Programme Officer of NSS Unit II at Government College for Women (A). The session took place at the Naaz Center in Guntur. It focused on teaching local residents how to use popular payment apps like PhonePe and Google Pay. During the event, NSS student volunteers demonstrated how to set up the apps, link bank accounts securely, and perform various transactions such as paying bills and transferring money. The explanations were clear and aimed at making attendees comfortable with using these apps safely and efficiently.

Outcomes:

- Participants acquired hands-on experience in installing and utilizing PhonePe and Google Pay for various financial transactions.
- There was an increase in trust and confidence among the community members regarding the security and convenience offered by these digital payment platforms.
- The event led to a noticeable increase in the willingness of attendees to integrate these technologies into their everyday financial dealings.

GOVT. COLLEGE FOR WOMEN(A), GUNTUR,

NSS UNITS - 1,2,3

Activity : Covid Vaccination Drive

DATE : 30--12-2021,

AIM AND OBJECTIVES :

- To vaccinate the students for covid-19
- To prevent spread of Covid-19

BRIEF DESCRIPTION :

The NSS Units -1,2, 3 approach the officials of the Department of health and requested them to organize the vaccination drive in our college campus on 01-11-2021. So, they accepted our request and conducted the vaccination camp.

The Drive began at 10.00 AM and continued till 5.00 PM. The Staff and the Principal explained the importance of taking the vaccine to remove the doubts in the minds of the students about the effects of the vaccine. There are students who have fears about the side effects of the vaccines. So, it was necessary to remove the fear and convince the students that covid -19 vaccines are safe. Then the students started taking the vaccine after the counselling session. Some of the staff member extended their help in making the drive success.

OUTCOMES :

- More than 200 students got vaccinated.
- The students got their doubts and fears about the side effects of taking the vaccine.

AWARENESS & PROMOTION OF ORGANIC FORMING

Dept of Botany & NSS

DATE: 23--03-2021

Venue: Pulladigunta village

No.of participants::50

AIM AND OBJECTIVES:

To sensitize the farmers and community through students

To provoke them to think about sustainable environment and grow food by organic farming and protect the community from the harmful effects

BRIEF DESCRIPTION

Swachhta is not only related to the environment but also food. Dept of Botany & NSS Students visited the Rythu-nestham foundation and fields of pulladigunta village and observed the farming practices and interacted with the growers. Students came to know the ill-effects of processed foods that contain chemical fertilizers, food colours, preservatives, etc. Since the the youth can make a difference and bring about accomplishment of sustainability goals. The idea of Organic Farming was encouraged in the students to grow their own food and protect themselves from the harmful effects of unhealthy food. Students discussed the advantages of organic farming and promoted this practice to the community.

OUT COME/ IMPACTS: The idea of Organic Farming encouraged the students to spread the message of growing organic food and protect the community from the harmful effects of unhealthy food. students gained knowledge about organic farming methods and their benefits and they spread this sustainable farming practice to the community .

2021-22 NSS UNIT II

Name of the Activity: Chalivendram - Drinking Water Pots for Summer

Venue: Outside Government College for Women (A), Guntur

Date: 10-03-2022

Total Number of NSS Student Volunteers: 8

Objectives:

- To provide easy access to drinking water for pedestrians and others passing by the college during the hot summer months.
- To promote public health and well-being by offering hydration solutions in high-temperature conditions.
- To engage NSS student volunteers in community service that directly benefits the public.

Description:

The "Chalivendram - Drinking Water Pots for Summer" initiative, inaugurated by Dr. D. Dhatri Kumari, Programme Officer of NSS Unit II at Government College for Women (A), Guntur, was established outside the college premises. This water kiosk was set up to provide free drinking water to pedestrians and others during the hot summer months. Eight NSS student volunteers managed the kiosk, which included several large water pots. They ensured the pots were continuously refilled and that the area was kept clean and welcoming. This initiative not only addressed the immediate needs for hydration but also fostered a spirit of community service among the student volunteers, emphasizing the importance of public health and well-being.

Outcomes:

- Pedestrians and other visitors benefited from easy access to clean drinking water, helping them stay hydrated during the intense summer heat.
- The initiative increased community awareness about the importance of hydration and public health, receiving positive feedback from many who appreciated the service.

NSS student volunteers gained valuable experience in community service, enhancing their skills in public health promotion and civic responsibility

2021-22 NSS Unit 1

Activity : Awareness on Hand Wash

Date: 15/03/2022

Venue:KVP Colony Kolli Sarada Upper Primary Municipal School

No.of students/ Volunteers Participated: 10 student volunteers from NSS Unit 1

Target beneficiaries: 5th class students

Faculty :NSS Unit 1 Program Officer (PO) Smt. M. Santosh Kumari

OBJECTIVES

- To educate 5th class students about the importance of handwashing for personal hygiene and disease prevention.
- To demonstrate proper handwashing techniques to students.
- To promote regular handwashing as a healthy habit.

BRIEF DESCRIPTION OF THE ACTIVITY:

On 15/03/2022 NSS Unit 1 organized an awareness session on handwashing at KVP Colony Kolli Sarada Upper Primary Municipal School for 5th class students. The session aimed to impart knowledge about the significance of handwashing in maintaining personal hygiene and preventing the spread of diseases,

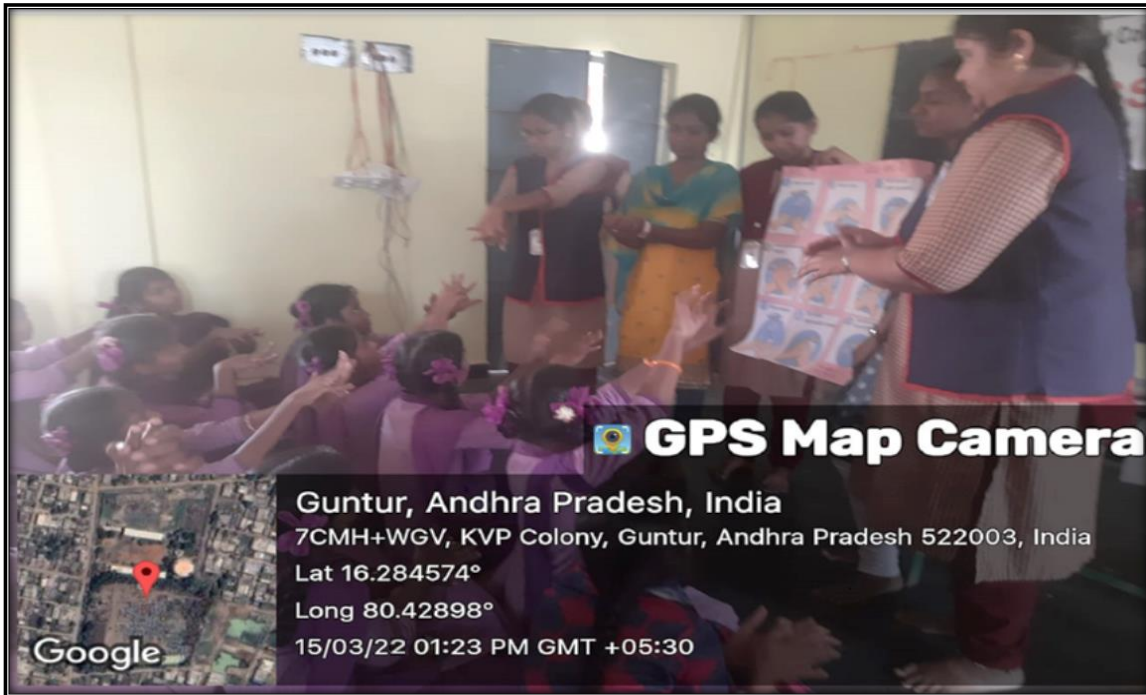

The activity began with a brief introduction to the importance of handwashing, highlighting its role in removing germs and preventing illnesses. Students were engaged through interactive discussions, quizzes, and visual aids prepared by NSS students to enhance their understanding of the topic.A practical demonstration of proper handwashing techniques was conducted by NSS volunteers and students, emphasizing key steps such as wetting hands, applying soap, scrubbing thoroughly, rinsing with water, and drying with a clean towel. Students actively participated in the demonstration and practiced the techniques themselves under the guidance of NSS volunteers and the NSS PO, Smt. M. Santosh Kumari.

Additionally, NSS students prepared colourful charts depicting the steps in handwashing, which were displayed during the session to reinforce learning. These charts provided visual aids to help students remember the proper handwashing technique.

OUTCOMES:

1. Increased awareness among 5th class students about the importance of handwashing for personal hygiene and disease prevention.
2. Improved understanding of proper handwashing techniques through practical demonstration and interactive sessions.
3. Promoted regular handwashing as a healthy habit among students.
4. reduced transmission of infectious diseases within the school and community through the adoption of proper handwashing practices.

the awareness session on handwashing organized by NSS Unit 1 served as an important educational intervention to promote good hygiene habits and contribute to the well-being of the students at KVP Colony Kolli Sarada Upper Primary Municipal School.

Objective: To create an awareness about waste management

Brief Description of the activity: NSS unit I of Govt. College for women(A), Guntur organized waste management Awareness Campaign. students were accompanied by NSS PO Smt.M.Santosh kumari. This awareness program was conducted in the adopted village chintapallipadu of vatticherukuru mandal. The NSS volunteers took this opportunity visited each house and created awareness among the People about segregation of domestic waste in to dry and wet waste. The NSS volunteers showed them how to segregate the waste and keep them in separate bins. They explained how wet waste can be converted in to compost and used for kitchen garden . The students requested the people not to mix the dry and wet waste and not to throw them around their residence. The NSS volunteers explained the benefits of waste segregation and requested them to keep clean and hygenic conditions.

Out comes: The villagers came to know about the benefits of waste segregation and agreed to keep the dry and wet waste in separate bins and also keep their surroundings clean. The awareness campaign covered around 100 houses in the village. This effort was highly appreciated by the panchayat officials ,sarpanch and villagers.

Activity : Visit to Amma charitable Trust- orphanage and old age home

DATE : 25-03-2022

AIM AND OBJECTIVES : To sensitize the volunteers to the problems of senior citizens and orphans to reduce their loneliness and finding ways and means to solve their problems

BRIEF DESCRIPTION :

The Student volunteers of NSS –National Service Scheme of Govt.college for women,Guntur accompanied by the NSS POs Smt. M.Santosh kumari, Dr.D.Dhatri kumari and Smt.M.Vijaya Lakshmi paid a visit to the Amma charitable trust on 25th march 2022. The trust is maintaining a Old Age Home, orphanage and a care centre for the diseased people. It is located near chuttugunta, Vatticherukuru road, Guntur.

The purpose of this visit was to make the students realise their social responsibilities towards Senior Citizens. Such visits also activate the student's thought process to realise the agony and pain which the orphans and the old people go through while living away lonely without any near and dear relation. The visit intended to teach them how to interact with the orphans and talk with the diseased and elderly who may have psychological depression along with other health problems as a result of old age or health problems.

Residents were happy to talk to the student volunteers and shared their life experiences. One old lady informed that as her children do not care for her and her relatives have kept her in this Old Age Home. Interacted with a lady who was bedridden and staying there since the sad demise of her husband. Students interacted with the Swathi a orphan girl who lost her hand and got impaired in an accident and lost her parents also. interacted with other Small children also who were orphans and came to know how they are studying with the help of the trust.

Our students went with high enthusiasm and conviction to contribute their best during their visit. The students interacted with the residents in the Old Age Home and lovingly served them fruits and biscuits. The NSS unit volunteers contributed 8 bags of rice collected from the college students and also some of the volunteers of unit I M.Lavanya,,Supriya,Prasanna and few others contributed ,5 kgs Dal , 1 bag of wheat flour and some provisions to the charitable trust.

OUTCOMES:

Though the Old Age Home management was providing them with excellent emotional and physical care, still our students observed that such homes demanded frequent visits and some more spending of time with the Senior Citizens and help for further, some more facilities.

The visit to the Amma charitable trust Old Age Home and orphanage concluded with loads of warmth and showers of blessings extended from the elderly towards our team of students and Faculty Members. They bid us good bye with tearful eyes but with a promise to revisit them frequently.

Activity: Dengue, Malaria awareness

Venue: Chintapallipadu

Date: 27/3/2022

No of Beneficiaries: 100 houses

No of Students Participated: 42

Objective: To create an awareness about dengue, Malaria, their causes, symptoms and preventive measures.

Brief Description of the activity: NSS unit I of Govt. College for women(A), Guntur organized Dengue Awareness Campaign. The students were accompanied by NSS PO Smt.M.Santosh kumari. This awareness program was conducted in the adopted village chintapallipadu of vatticherukuru mandal. The NSS volunteers took this opportunity visited each house and especially slum areas and created consciousness among the People who were unaware of these Dengue,malaria situations and also informed them about the Dengue,malaria fevers their severe effects and how to tackle these situations . The NSS volunteers showed them the stagnant water around their house as the source of “Larvae” which emerges from the eggs of Aedis Mosquito. The students requested the people not to leave the water to get accumulated near their residences. The NSS volunteers sprayed bleaching powder around the houses where there is stagnant water and unhygienic conditions and requested them to keep their surroundings neat and clean to get protected from the diseases.

Out comes: The villagers agreed to keep their surroundings clean without stagnant water to prevent the spread of Dengue , Malaria. The awareness campaign covered around 100 houses in the village. This effort was highly appreciated by the villagers.
